READY TO FUND? WE ARE!

THE ULTIMATE IN TRANSITIONAL CAPITAL FOR OVER 27 YEARS

Seattle Funding Group is without a doubt the chief source in the Western U.S. for quick private transitional capital for residential and commercial real estate. Since 1988, Seattle Funding Group has funded hundreds of millions of dollars for mortgage professionals and their clients without credit lines or third party approvals.

We are a direct portfolio lender, not a broker. As principals to the SFG Family of Funds, we fund and service all loans in-house. This means faster, more direct decision making for the borrower who appreciates the time value of money. For loan amounts \$250K to \$12M, we fund most loans in less than ten days for all types of borrowing entities, recognizing the time value of money.

Our commitment to service, speed, and unbeatable pricing in unmatched.
