

Make a Difference. Save Children's Lives.

In early November 2013, Typhoon Haiyan, one of the strongest storms ever recorded, slammed into the Philippines; affecting over 14 million people – nearly 6 million of them children.

Seattle Funding Group (SFG) and Scotsman Guide Media (SGM) have joined hands to help the survivors of Typhoon Haiyan through the U.S. Fund for UNICEF.

UNICEF has been in the Philippines since 1947, working to provide the best quality of life for every Filipino child through programs that help them survive and flourish. As the long road to recovery from Haiyan begins, UNICEF is reaching vulnerable children and families most in need, and working to build resilient systems and communities that are strong enough to withstand future calamities.

We ask you to join us in giving back. Your gift will make a crucial difference for a child in the Philippines: \$50, \$100, \$250, \$500 or any amount you can give will help save children's lives. Your gift to the U.S. Fund for UNICEF will support UNICEF's* work for children. Join SFG and SGM today in making donations that improve children's lives in the Philippines.
